### **Comprehensive Coverage**

Comprehensive coverage pays for loss or damage to your covered vehicle caused by any event other than collision. This includes damages due to events such as fire, theft, windstorm, flood, and vandalism. We will also pay transportation and loss of use expenses under this coverage if your motor vehicle is stolen. Principal Exclusions: No coverage for damages or loss (1) to a vehicle while being used to carry persons or property for compensation or a fee; (2) resulting from intention acts, racing, or preparing for a race or stunting activity; (3) customs parts or equipment, including electronic equipment, in excess of the value declared in the application; or (4) to tapes, compact discs, other media or their carrying cases.

[TOP](#)

### **Loan/Lease Payoff Protection**

This coverage protects you if your vehicle is a total loss. This coverage pays the amount owed on the vehicle up to 25% over the actual cash value (except past due amounts and other purchased coverage, i.e. credit life, accidental life, warranty/repair.) This coverage has no deductible. This coverage is typically sold to insureds who have a new car with a new car loan, or a newly leased vehicle.

By my acknowledgment below I certify that I have been informed that my vehicle(s) which is being insured for Collision and/or Comprehensive coverage must be inspected by a representative of the insurer. This inspection must be completed within five (5) calendar days after the effective date of coverage, to avoid suspension in coverage. ## Information About Repairs

Claim # 99-2701579

Below you will find Frequently asked questions about Repairs and their answers. If you don't find the answer you need, please communicate with your Claim Representative by phone (refer to general claim information page) or [via the Internet](#).

- [What if my car is damaged?](#)
- [What if the repair shop finds damage that wasn't included in the estimate?](#)
- [What if my repairs cost more than Progressive's estimate?](#)

### What if my car is damaged?

If your car has been damaged, your Progressive representative will write a repair estimate. We will work with the repair shop of your choice or, if you request, arrange repairs for you at a shop which will guarantee its work.

[TOP](#)

### What if the repair shop finds damage that wasn't included in the estimate?

If additional accident-related damage is discovered, the repair shop should call your Progressive representative to agree on an adjusted price before the work continues.

[TOP](#)

### What if my repairs cost more than Progressive's estimate?

Your Progressive representative will make sure the repair estimate is fair, reasonable and covers the market value of the parts and labor necessary to repair your car to its pre-accident condition. You pay for repairs up to the amount of your policy deductible and Progressive pays the remaining amount of covered repairs. If you have any problems, give our estimate to the shop and ask them to call your Progressive representative.

## Be Prepared !

Even the most careful drivers can be involved in an accident. At Progressive, we understand an automobile accident can be a very traumatic experience, and we try to make the handling of your claim as trouble-free as possible. Progressive takes pride in providing fast, fair and hassle-free claims service. Even though you never plan on having a claim, there are a few steps you can take in advance to help you be prepared.

- What to do if you're in an accident.
- What is Progressive's Immediate Response claim service?
- What to carry in your car in case of an emergency.

### What to do if you're in an accident.

#### MAKE SURE YOU AND YOUR PASSENGERS ARE OK

If you are involved in an accident—first and foremost—make sure that you and your passengers are safe. Get as far off the roadway as possible, but stay at the scene of the accident. Warn oncoming traffic by activating your hazard warning lights or setting flares (if your accident is at night).

#### STAY CALM

While it may be difficult to stay calm, resist the temptation to argue with the other driver, even if you believe that he or she is completely at fault.

#### EXCHANGE VITAL INFORMATION

Write down the names and license numbers of all parties, and the names and phone numbers or addresses of witnesses, particularly those who were not riding in a vehicle involved in the accident. Get the insurance policy number from the other party involved.

#### CONTACT PROGRESSIVE

If you're a Progressive policyholder, our Immediate Response® claims service is available to you 24 hours a day, 7 days a week. Call the number on your Progressive Gold Card (800-274-4499) anytime—day or night. We get to work right away to settle your claim fast, fair and hassle-free. Our claims representative can help you with:

- Providing coverage and policy information
- Arranging transportation for you
- Getting your vehicle repaired
- Arranging a vehicle rental
- Towing your car
